

Fort Hill Church Preschool Newsletter

January 2010

PARENTS' NOTES:

- ☺ Please read the school schedule and mark your calendar accordingly.

NO SCHOOL MONDAY, JANUARY 18, 2010

MARTIN LUTHER KING, JR. DAY

- ☺ School Weather Closing Policy: In order for parents to be better informed about Fort Hill's closings, we will follow Pickens County School's weather closings. If schools are on a "delay schedule" we will be closed. In an event that we feel that our schedule should be different, a teacher will call you prior to 8:30 a.m. that day.
- ☺ Parent/Teacher Conferences for 2s, 3s, and 4s will be held January 28 and 29. Your teacher will be sending a schedule home soon. Registration forms for next year will be available at that time.
- ☺ Fort Hill Church members, children currently enrolled, and their siblings, have registration priority (in that order) for 2010-2011, if applications are received before March 1, 2010.
- ☺ Applications will be available to download from the Fort Hill Church website (www.forthillchurch.org) on February 15 to families not currently enrolled in the preschool.

TWO YEAR OLDS: Rutland/McRoberts

We hope that all of our families had a wonderful Christmas! We certainly missed your children! We will begin January with a celebration for the New Year. We will end the month with a birthday celebration for Abram! He will turn three on January 31st. Happy Birthday, Abram! This month we will also discuss cold weather, snow, shapes, colors, and numbers. Conferences will be held on January 28th. Let us know if you need a specific time!

THREE YEAR OLDS: Hilderbrand/Nelson/Harrell

Thanks to all of our parents and relatives who came to our Christmas programs. Also thanks to the many mothers who baked such delicious cookies to share during our program. We appreciate all of your help and support while we are working with your little ones. We hope that each of you had a Merry Christmas and a wonderful New Year.

The month of January will welcome the year 2010 into our classroom. As the weather changes, we will begin our unit on the season "winter." This gives us the opportunity to talk about the color white, snow and ice, mittens, and snowmen. Also this month, we'll take a look at our family pets. Conferences will be scheduled for the end of January. We will send a conference schedule home soon. Let us know if you need a certain time to fit your schedule.

FOUR YEAR OLDS: Burchfield/Greenstein – Match/Peters

Our thanks go to many parents who helped to make the month of December so memorable. We are truly grateful for your support and gifts. We are glad to be back in our classrooms! January will be filled with winter fun and...SNOW! It will be a month filled with activity as we continue to develop our basic skills and concepts through the units we study. We look forward to discussing your child's progress with you during conferences. We will be sending schedules home soon. As always, feel free to call if you have any questions.
