Vision

Joining together on a journey of Christian faith, we seek to be disciples of Christ and to share God's love in our community and around the world.

Mission

Inspired by God's spirit, we model the ministry of Jesus by *sharing our God-given gifts and talents* to support and nurture each other, children, college students, our community and international populations in need.

By faith and guidance of scripture, we strive to understand God's intention for our lives through worship, prayer, study, discussion and fellowship.

We accept God's grace and unconditional love, and empowered by the Holy Spirit, we live so others will come to know God.
